Our students have the opportunity to complete the theoretical course in the form of e-learning (internet-based distance learning), the cost of which is the same as in the classroom.
Theoretical lessons are 45 minutes.

The theoretical course is conducted on the basis of a centrally approved Educational Theme.

In addition to the basic classes + unlimited consultation (which is also a test sheet or a computer practice)

we provide. Participation in the session is mandatory according to Decree 24/2005 (IV.21.) Of the Ministry of Economy and Transport. In case of absence, the missed topic must be made up, but it cannot be taken for the exam. Theoretical surcharge can be purchased free of charge. The knowledge gained in the theoretical course must be examined. Within 9 months of the first day of theoretical instruction, the theoretical examination must begin and the examination must be passed within 1 year. If a student does not pass the theoretical exams within 12 months of the start of the course, he / she can only re-apply for the theoretical exam after repeating the entire course. The road first aid course is free of charge if the student obtains a driving license from our school.

Preparation for the theoretical exam is provided by a free textbook (on a deposit basis)!

Practice classes are 50 minutes. An extra hour is not obligatory, the price is also: 7,500 HUF / hour

The condition for admission to the traffic test is the fulfillment of the required mandatory number of hours and driving distances.
